664 554 "The wives of the Moro Haba never give birth or raise their children at his own place of residence, but only in one of the eunuch villages. In theory they do not stand above the wives of common natives, but in practice they enjoy high consideration among the Mossi, like all that is connected with the Moro Naba.

"The sons of the sovereign, once weaned, are entrusted to a province or canton chief who is put in charge of their education. [582] At the age of ten they are married and settled in a village, where they live, surrounded by a court, but without necessarily being given a territorial command.

"The prerogatives attached to the title of Moro Naba's son are vast as long as the monarch is alive. They grant the right to steal, to loot, and even to kill with impunity.

"Upon the death of the Moro Naba, his sons become mere nakomsé (sons of chiefs) whose position nevertheless remains quite privileged.

643 644 554 "One of the sons of the deceased sovereign, however, is granted special privileges. At the death of the Moro Naba, the latter's wives elect one of his young sons who adopts his name and, so to speak, perpetuates him. He has no /territorial/ command, but he is surrounded by a court similar to that of the Moro Naba, he enjoys respect almost equal to that paid to the latter, and he is a sacred figure. No one has the right to contradict him or to harm him.

644 554 "As for the Moro Naba's daughters, although in principle they do not stand above ordinary Mossi girls, in practice they are treated with the strictest respect by all natives. Once married, they have almost complete freedom of action vis-à-vis their husband, and they often take advantage of this to lead a most unruly existence.

643 766 "When the Moro Naba's death has been verified, his burial is carried out and followed by the funeral ceremonies, which are held in the same fashion as for a common native, with the sole difference /574/ that they have more brilliance and that the sacrifices are more sizable.

642 672 "For the whole duration of the interregnum, the land falls into a state of complete anarchy. Everyone has the right to kill, loot, and steal as he pleases. Convicts who are serving sentence are fully pardoned and set free.
